

CoMP South Scrip Fundraiser

If you want to earn money for the Montessori program at Jefferson Elementary, you can do so just by doing your everyday shopping.

What is Scrip?

Scrip is a term that means substitute money. When you purchase scrip, you're purchasing gift cards that are used just like cash. You can use scrip to purchase everyday items like food, clothing, and other essentials, and with every purchase, you earn revenue for CoMP South.

How scrip generates revenue for CoMP South

The Great Lakes Scrip Center acts on behalf of non-profit organizations to purchase large amounts of scrip from grocery stores, department stores, and other retailers. Because the scrip is purchased with cash up front, the participating retailers offer a substantial discount. Great Lakes Scrip Center passes the discount on to CoMP South. This discount, from 2% to 25%, is CoMP South's revenue.
